

The "Do Not Call" list has been a blessing. I have experienced a 100-percent reduction of unsolicited calls to my home and my mobile phone. I welcome the undisturbed dinners, the uninterrupted sleep, and the lack of "hang-ups" on my answering machine. For work purposes I have to keep my mobile phone on at all times, and it certainly makes my day run more smoothly when I'm not fielding calls from unwanted telemarketers. You have my complete support to maintain the "Do Not Call" program!
